Prospective Det 330 Student/Parent,

Thank you for your interest in the AFROTC program at the University of Maryland!

If you wish to be enrolled in AFROTC in the FALL 2021 semester, you must be a full-time student, either undergrad or grad, attending the University of Maryland at College Park or one of our participating crosstown colleges (You can find a complete list of crosstown schools on our brochure). In addition, you are required to attend one Application Session, August 17th or 19th at 9am to 11am, and the New Student Orientation, August 28th at 8am to 12pm. We are located on the bottom floor of the Reckord Armory, 4490 Rossborough Ln, College Park, MD 20742.

You MUST fill out the online AFROTC application at this link before attending the application session.

Follow the prompts and fill out the following forms. These forms must be uploaded into the WINGS system PRIOR to the application session:

1. Sports Physical Documentation
2. Emergency Data Card
3. Privacy Act Statement
4. Health Records Release
5. Drug Demand Reduction Release
6. Mail Access Authorization

**Note: If you are having issues with the site and/or uploading these forms be sure to 1) use Internet Explorer, 2) disable pop-up blocker, and 3) clear your browser cache. Call the detachment for any further issues.

**Class registration:**
Freshman and Sophomores will register for ARSC 059 and ARSC 101
*There are multiple sections of ARSC 101, so make sure you register for the section that fits your schedule best. Usually crosstown students will register for the Thursday sections, so they only must drive to UMD once a week. The course catalog for dates and times is located here. **Application Session Preparation:**
If available, we request that you bring a laptop that is wifi enabled, and has the current version of Adobe Acrobat Reader to help make the session run more efficiently.
For non-University of Maryland students, prior to your application session you must complete the Crosstown Agreement/Transcript Request Form attached to this email.

If you are attending an Inter-Institutional school, listed here [http://www.registrar.umd.edu/current/registration/inter-institutional.html](http://www.registrar.umd.edu/current/registration/inter-institutional.html), or a Consortium school, listed here [http://registrar.umd.edu/current/registration/consortium.html](http://registrar.umd.edu/current/registration/consortium.html), you will turn this form into your institution’s registrar.

If your school is not on either of the above lists then you are Cross-town student and must turn your forms directly to the UMD Registrar's office stated on the form. Note that the Crosstown Agreement Form/Transcript Request Form is not turned in at the application session, it will be sent or dropped off to UMD or your host institution.

It is **MANDATORY to bring ALL** the following items to the application session:

1. Government Photo ID (i.e., driver’s license, passport, etc.)
2. SAT/ACT scores (if you have them, [collegeboard.com](http://collegeboard.com) print out is fine)

**GETTING THERE:**

Attached is a map for our location. Parking is available in the blue circle at the Visitor’s Center (Turner Hall), and it is pay per hour with ParkMobile. To avoid crowding at the pay station (indicated by a $), we recommend downloading the ParkMobile app ahead of your arrival. The Parking Zone is 6106. You will walk across the roundabout and follow the red to our AFROTC entrance on the other side/basement of the building. We will be in lecture hall 0126. Parents, please allow all future cadets to take available seats to make your transition to the next room as smooth and efficient as possible.
Lastly, if you do not have a permit, you will need to pay for parking. You can get more information on where to park at http://cvs.umd.edu/visitors/parking.html, you may also view a map of the campus at http://maps.umd.edu/map/.

If you still have any questions or concerns, please contact the Detachment Recruiting Officer, Capt Brawnlyn Patterson at bcpatter@umd.edu or 301-314-7643.

Please note due to COVID scheduling, she will be in the office on Tuesdays and Thursdays, but is reachable by email anytime.
